

Fact sheet

No English? - No problem!

If possible, please use English!

If you do not know English well enough – that's ok, please send us a transcript of your clip in English. (mail: <mailto:sr.nicole.g@christusbruderschaft.de>) and we will add English subtitles to your clip. Need some help? Ask your friend or try [deepl.com](https://www.deepl.com) for translation.

Pass the Star!

In your clip we ask you to include the star. As you can see, it is a yellow star on a blue background, reminding us of the European flag. Every video should show the star – and here is, how it works: At the beginning of the video, grab it from outside the screen (top, bottom, left, or right) and pass it on at the end of the video. You can download the star here:

What's in it?

- At the beginning of your clip please tell us your name and the community you belong to.
- “My Europe” – tell your thoughts about Europe! Tell us, what “your Europe” looks like and what it feels like in your country, in your hometown – and, if you wish, tell us what you envision for “your Europe”
- Say one inviting sentence about Europe Day on May 9th, to celebrate the community and/or pray for Europe! On that day we all are invited to get together, celebrate Europe and pray for our continent

What's not in it?

- For a good understanding, choose a rather quiet place. Please also use any background music or audio effects – that will make it easier to cut the clip, if necessary.

Length

Up to 90 seconds! Less, if you wish, but not longer!
